

State plan is implemented, supplements will be required to meet developmental schedules approved as part of the plan. These developmental step supplements must be completed within three years after commencement of operations under the plan. The development of the Federal program and the continuing evaluation of the State programs will also require that changes be made in the plans. In addition there could be State initiated changes that would have an impact on the effectiveness of the State program.

(d) Because of the States' need to continue an on-going program, this part also provides for advisory opinions to requesting States. These opinions, while not final decisions under the review procedures established in this part will provide the States with a basis for operation pending formal review of a change supplement.

#### § 1953.2 General policies.

(a) Approval of a plan submitted under section 18(b) of the Act is based on a finding that the State has or will have, an "at least as effective" program for the enforcement and setting of standards and will meet the criteria in § 1902.3 of the chapter within a three year developmental period when all of the planned activities are performed. The State must also continue to apply the criteria in section 18(c) of the Act and 29 CFR part 1902, as well as comply with the provisions of the plan and any assurances contained therein as long as the plan continues in operation. Supplements to the plan will be reviewed in the context of the entire plan as it moves through its developmental and operational stages.

(b) The regulations in this part will apply both before and after determinations have been made under section 18(e) of the Act and will be amended as necessary. Any interested person may file with the Assistant Secretary, Occupational Safety and Health Administration, U.S. Department of Labor, Washington, DC 20210, a written petition for revision, amendment or revocation of any of the provisions of this part. The petition should include, or be accompanied by, the proposed rule desired and a statement of the reasons therefor and intended effect thereof.

(c) Upon reasonable notice to interested persons, the Assistant Secretary may in any particular proceeding prescribe additional or alternative procedures in order to expedite the review process or for any other good cause which may be consistent with the applicable laws.

(d) Advisory opinions are designed to facilitate implementation of changes in a State plan. In general these opinions will be given for proposed changes such as the adoption of regulations or standards prior to promulgation by the States and submission as a formal change.

(e) Copies of all supplements to a plan, all public comments thereon, and all advisory opinions shall be available for inspection and copying at the expense of the person requesting the copy at the locations specified in the subpart of part 1952 of this chapter relating to the State plan. The locations include the Office of Federal and State Operations, the Office of the Regional Administrator for the Occupational Safety and Health Administration (hereinafter referred to as the Regional Administrator) in whose Region the State is located, and an office or offices of the State which have been designated by the State for this purpose. The most current copy of a State plan will be located in the State and Regional office pending submission of the change supplements to the Assistant Secretary.

#### § 1953.3 Publication.

Whenever a State is required under its law to publish notice of the subject matter of any change required by this part prior to its adoption by the State, a republication by the State as in § 1902.11(a) of this chapter will not be required. Where the subject matter of the change is not subject to public notice under State law, republication by the State as provided in § 1902.11(a) of this chapter may be required unless the Assistant Secretary determines the change is minor. Such a minor change could include notice that the State had completed intermediate steps in the implementation of its Management Information System or its staff training program.
